Dam Registration #	Dam Tattoo	Sire	# of Embryos
EF1184837	3825	VPI Free Lunch	7
<p>➤ Excellent Gridmaker dam out of Megan's 2009 Grand Champion Bred and owned at the National Jr. Charolais show. 3825 has the same look and style of her mother, 7701, "Kisses" 411 was reserve grand at the 2005 Jr. National.</p>			
EF1184840	3827	Fink Gold Standard	3
<p>➤ The grandam "6868" by Gain & Grade (the number 2 bull in the breed for marbling) is our high income producing female. Hard to find embryos lined up with generations of proven sires. Growth, low birth and high carcass.</p>			
EF1184767	3832	Fink Gold Standard	4
<p>➤ Dam is a Free Lunch out of a dam that's a full sister to the dam of M6 New Standard. Lots of power here and will still make excellent cows with maternal, heritage, great feet and carcass. Not easy to tie it all together. Note, marbling potential, at no extra cost in the pedigree.</p>			
F1184786	3863	Fink Gold Standard	9
<p>➤ Marbling genetics at no extra cost in a power pedigree. Gold Standard will go down as one of the most respected bulls in the breed as time goes on. Not included in his EPD's are thickness, daughter's udder quality and disposition. Note, Free Lunch is #6 for marbling and Bluegrass is #5</p>			
F1184787	3864	Fink Gold Standard	6
<p>➤ Powered up pedigree with excellent calving ease. Really nice typical Free Lunch female. Deep, soggy, beautiful uddered etc. The grandam is still in our flush program. She is hard to fault phenotypically. Note, marbling potential in these embryos!</p>			

Dam Registration #	Dam Tattoo	Sire	# of Embryos
F1184793	3877	One Penny Blanco Flash	5
➤ Talk about power! Unique mating between Penny Flash at TSI of 249.43 and Gold Standard at 227.55. Bluegrass, Gridmaker, 9108 behind that! One of our top cow families selected from Dave Hubert in pick of the herd in 2002!			
EF1166658	2675	Free Lunch	3
➤ Gridmaker out of the outstanding 6868 female. Power in the blood here!			
EF1166665	2682	Fink Gold Standard	3
➤ Super nice uddered, 9108 granddaughter, she is also moderate framed
